THE SHIMMY
EXPERIENCE

A New York City based event planning and design company, we focus on allowing you to enjoy your events to the fullest while we handle all the details - what we like to call The Shimmy Experience. Elizabeth Shimhayiv, creator of The Shimmy Experience, was born and raised in NYC and began coordinating events at 19 years old at her alma mater, Hunter College. Almost a decade later, she continues to plan, coordinate, and style events. From engagement parties, bridal showers, gender reveals, birthdays, and more, Elizabeth has incorporated The Shimmy Experience to every event allowing hosts to just enjoy the party! Our goal is to plan and design your event within your budget without sacrificing style while ensuring that all you have to worry about is having fun!

At The Shimmy Experience, we know every detail matters. We strive to set the ambiance and style the décor to your taste and elevate your entire event.

The Shimmy Experience - let us take care of the planning so that you can enjoy your event!
